

Cumbria Wine Society
Annual General Meeting followed by
Wines of Oregon and Washington States
With
Kelvyn Guest of Guest Wines
Date: Tuesday 15th January 2019

We start our programme for 2019 with our Annual General Meeting at Armathwaite Hall Hotel. This will be followed by an interesting tasting from Kelvyn Guest of Guest Wines based in Newcastle.

Kelvyn returns to us to present to us wines from Oregon and Washington States in the USA. It is some considerable time since we had a specific tasting from this expanding wine Region.

From previous experience of tasting we have had from Kelvyn we are assured of a stimulating evening of interesting wines and informative facts, all delivered in Kelvyn's inimitable style

So that we do not restrict Kelvyn's presentation time **we will start the AGM at 7:00pm** with a glass of wine. We plan to start the tasting at 7:30pm as usual

Please try to book as soon as possible.
