“The New New World”

With

Kelvyn Guest

Wednesday, 1st November, 2017

I am delighted to tell you that Kelvyn Guest is again coming over from Newcastle to challenge us once more with his very interesting choice of wines. We are all familiar with New World wines from Australia, New Zealand, Chile etc but Kelvyn is sourcing wine for us from Brazil, China, India, Thailand and possibly even Japan! He wants to show us “what these countries are now providing”. Kelvyn is a knowledgeable, enthusiastic and very entertaining speaker. I urge you to come along and find out for yourself. The tasting starts at 7.30 p.m. Please try to book as soon as possible.
