

Cumbria Wine Society
Annual General Meeting and
France vs Australia (not Rugby!!)
With
Leila Killoran of Fells & Co
Date: Wednesday, 6th February 2019

We start our delayed programme for 2019 on 6th February with our Annual General Meeting at Armathwaite Hall Hotel. This will be followed by Leila Killoran of Fells & Co who will be presenting our tasting.. She is their Sales Manager in the North West having previously been with Tanners Bros. She gained experience as a sommelier in fine dining restaurants in Italy. Away from wine she is a very accomplished equestrian having competed at the Royal International Horse Show amongst many others

We are assured of an interesting evening as Leila compares the wines from traditional French grape varieties with those from the same grape varieties but grown in Australia.

So that we do not restrict Leila's presentation time, **those wishing to attend the AGM should be seated by 7:00pm and welcomed with a glass of wine.** We plan to start the tasting at 7:30pm as usual

Please try to book as soon as possible.
